[Default Arrangement] by Erich Herzberger, Lane Oliver, Chris Davis

WHOLE SONG:

Bb Fm7 Ab Eb

VERSE 1:

I'm waking up to Your glory
Your mercy falls like the sun still rises
Your grace is new every morning
To light the world with the hope inside us

PRE-CHORUS:

I hear the sound of
A roarin' anthem
Burning with Your love
Let every voice sing
Let every part of me
Speak of all You've done

CHORUS:

I am alive
You have made this heart brand new
Hands to the sky
Pouring out my love for You

VERSE 2

Our praises echo Your goodness
We lift you up as You rain down on us
We're overwhelmed by Your freedom
There's nothing like living in Your purpose

BRIDGE:

I'm alive 'cause You're alive
Forever I will shine Your light
I'm alive 'cause You're alive
You have opened up my eyes
