[From The Songs We Sing] by Aimee Valenzuela, Chris Davis, Dustin Hahn, and Rachel Magee

INTRO: Am-F-C-G

VERSE 1:

When sorrow surrounds us, You will bring comfort
When darkness falls on us, Your light shines true
When we lose direction, You are our compass
When fear overtakes us, Your love is sure

PRE-CHORUS

In suffering, in tragedy
We run to You in everything

CHORUS:

Glorious refuge of power and strength
Hope for the hurting You are
Glorious refuge in our time of need
Calling us close to Your heart, Lord You are

VERSE 2:

When we're filled with worry, Your hope is steadfast
When faced with disaster, Your strength is still
When our sight is hidden, You are our vision
When spirits are empty, You're faithful to fill

BRIDGE:

In suffering, in tragedy
We run to You in everything
In suffering, in tragedy
We run to You in everything
